

TSKALTUBO

Balneal Resort (SPA Resort)

By Forces of the Nature and Reason of the Doctor ...

Georgian Resorts - Abastumani, Borjomi, Tskaltubo enjoy worldwide fame. If such Abastumani and Borjomi resorts are found, then the analog tshaltubskih mineral springs in existence in the world of medical treatment not available (Prof. A. Shchukarev).

More than 2000 sources established in the territory of Georgia. Many local residents enjoyed for centuries, many open and began to serve the people is relatively recent. Healing mineral waters help to cure disease faster and more reliably the most powerful drugs, and their impact increases many times, if they act in alliance with the air of the mountains, sunshine, lush green forests.

TSKALTUBO. If there is somewhere a real and fantastic live water, it gushes out of the ground at the resort Tskaltubo. Bring people here, rheumatism chained so that they can not do yourself and pitch, but after the course of treatment consisting of 25-30 baths, many of them forget what brought them here on a stretcher.

The water Tskaltubo became a symbol of a healthy lifestyle. This unique gift of nature was not without reason called the "Living Water". Tskaltubo beneficial effect of water on the human body has been known since antiquity. And today, modern installations give us the opportunity to treat, prevent and improve body tone.

In the original technique used Tskaltubo leave bathrooms (supply and flow), ie Fresh water is supplied to the bath and the water in them from the beginning to the end of the procedure is uniform.

Tskaltubo mineral water is different in that all ingredients are in it below the lower limit of acceptable standards.

At a resort found another natural healing factor - the caves, where the microclimate (eg, microclimate "White Cave") has been successfully used to treat hypertension, asthma and neurosis (now works on improvement of the cave).

In Tskaltubo to tailor treatment to patients - both adults and children alike.

RECOMMENDED DURATION OF CLASSIC SPA TREATMENT 14-21 DAYS.
