

ONE DAY TRIP – GORI-UPLISTSIKHE

DISTANCE: 250KM; (1DAY)

GORI- has long been synonymous with just one man: this is the town where Stalin was born and went to school. The large museum devoted to Stalin, opened in Soviet times, is still Gori's best known attraction, but there are also several intriguing older historical attractions close by.

UPLISTSIKHE-city curved into the rock. Its history begins in the 11-1 millennium B.C and continues for many centuries. Magnificent cave temples, halls, dwellings and economical lodgings, streets didn't change a lot. Importance of Uplistsikhe will increase a lot if we take into account that other buildings of that same period, when it was built today occur only in ruins. In case of wish we can add following destination: Mtskheta;
